

Cage 'Em Oyster Company Oyster Farm Tours

AHOY MATEY!

Have you ever wanted to see how an oyster farm operates? Well now is your chance!

Cage 'Em Oyster Company is now offering oyster farm tours with certified Captain Tommy Leggett where participants will learn about oyster farming and get a hands-on experience with some light farm work in 1.5-2 hours.

\$45 per person & a maximum of 5 people

For an extra \$5/person the tour can conclude with a locally made craft beer or wine, your choice! (or water, whatever shucks your oyster!)

Safety vests are provided along with gloves.

Depending on how dirty you want to get, I would recommend not wearing your favorite t-shirt.

Close-toe shoes are a must. Crocs are okay.

weather permitting

SEE YOU ON THE WATER!
